

The Norwegian Association of the  
**Blind and Partially Sighted**

Oslo, 19.06.2024

To Whom It May Concern,

I am writing to highly recommend Eloi Company and their consultants, Cremildo Mubate and Nina Blid, for their consultancy services. They have provided invaluable evaluations for the Angolan Association of the Blind and Partially Sighted (ANCAA) on behalf of the Norwegian Association for the Blind and Partially Sighted (NABP).

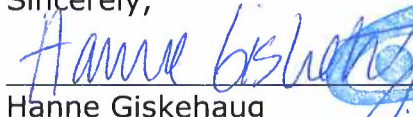

Cremildo and Nina conducted two comprehensive evaluations for our organizations. The first evaluation focused on a development project encompassing human rights, inclusive education, economic empowerment, and rehabilitation. The second evaluation assessed an eye health project. In both instances, the processes were managed with the utmost professionalism and expertise.

Throughout the evaluations, Cremildo and Nina demonstrated exceptional cooperation and maintained clear and effective communication with our team. Their ability to understand the intricacies of our projects and provide insightful feedback was impressive. The reports they delivered were not only easy to understand but also highly relevant and actionable for our teams. Their recommendations have significantly contributed to our strategic planning and project implementation.

We have greatly valued our cooperation with Nina and Cremildo. Their dedication, attention to detail, and thorough understanding of the subject matter have made a positive impact on our organization. I have no hesitation in recommending Eloi Company, along with Cremildo Mubate and Nina Blid, to any organization in need of expert consultancy services.

Should you require any further information, please do not hesitate to contact me.

Sincerely,

  
Hanne Giskehaug
